“ On his 80th birthday, that is beautiful and tragic at the same time.

Rest in Peace John and condolences to his family.

“ John was such a dear friend to my sisters and me (the Prokop girls). We hung out together in high school (although he went to Regis and we went to Lakewood). He was so much fun and always had such an upbeat spirit. We lost touch with each other but always wondered how he was doing. From what I read about his life, it was filled with love of family and friends and the Lord was always there beside him.

“ It was a pleasure to know and occasionally work with John at McDonnell Douglas / Boeing. I always appreciated his sense of humor and wisdom. Godspeed, John.
