“ Kathy was my Bingo and casino buddy for years. She was a bright spot in this world and great friend who will be missed so very much. My heart is broken. She was taken to soon. I am so thankful we got to see each other one last time in March. 2 great days of fun the 4 bingo babes. My Heart goes out to the girls and Jim the Love of her life. She is watching over you now. Love Louise

“ Worked with Kathy for over 20 years at Xerox and she was a favorite to all of us. While we were remote due to locations when I got Kathy on the phone she always made me feel my project was the most important. She was such a professional and had such a great heart. My heart was broken when I heard the news and I know everyone else up in Nebraska will feel the same. The Lord gave himself a special gift this Easter. God bless all her family in this time of loss.

“ I know how hard she fought. She was always a very strong, independent woman. Without a doubt loved her family so much. Every time I saw her she was always smiling and laughing about something. It was an honor knowing her for 15 years through Michelle and I friendship. She's in God's hands now in an angel form watching over.
