

Mrs. Nancy B. Creely

November 24, 1942 - July 4, 2017

Nancy B. Creely, 74 years old.

Only child of Harry A. and Rita M. (Sutter) Feldman. Raised in Maplewood, Mo. where she met her first husband Robert L. Dalton. They moved to Maryland Heights where they raised their 3 children. Later in life Nancy married Norman Creely and for 24 years he made sure she had anything she needed or wanted.

Nancy did not have a large group of friends, she was very friendly but also a bit reserved and private. So if you made it into her circle of friends you must have been a good soul, such as she was. She added a touch of creativity in everything she did. Cooking – we had the best meals growing up, Halloween Costumes – never store bought, Gardening – always something of interest in her flowers beds.

Nancy was beautiful, but never thought it and forever young in appearance and personality. Loved reality TV, movies, magazines & music, knew the latest fashion trends and could hold a conversation with her grandchildren on the newest pop stars. She never missed a chance for an outing with them either, especially to a Cardinals baseball game or a trip to Dave & Busters!

Nancy is survived by her husband Norman, her children Angela Porzelt, Julie (Dale) Wehmeier & Robert Dalton, her grandchildren James Wehmeier & Caroline Porzelt. Also her best friend of 40 plus years Joan Elder.

Visitation will be Saturday, July 22 and Valhalla Chapel from 10-11am, with Memorial Service beginning at 11am. Contributions can be made to the Humane Society of Missouri.

Comments

“ Nany and I spent many hours visiting at McDonald's and later at Wendy's. We laughed lots and shared our hopes, dreams and sometimes frustrations. Nancy always ordered just french fries and could get 5 bites from each fry. I am going to miss my friend and neighbor. Love you. Marie

“ One of my fondest memories, is when we visited their beautiful home in Byrnes Mill, MO for the first time. Nancy and Norman have an amazing back yard, really its a hunter's dream. It was spectacular. All her names for ALL her friends(BOO - the raccoon and so many others) that they feed every evening. The little chipmunk I don't think she ever named but it was so cute and sweet, just like Nancy. She was a dear friend to me and taught me a few things and I just want to say it has been an honor to have known her and been apart of this fine family.. I will miss her dearly!
