“ Nancy was a "one of a kind". So sweet, caring and the life of our Red Hat outings. Every time we go to St. Genevieve I always remember how she had me laughing so much my cheeks hurt when we were playing chicken foot. She was our "wedding singer" at the wineries we went to as there was always a wedding going on. Miss her but know she is in a better place. Please know her family is in my thoughts and prayers.

“ I to was a Red Hat Sister of Nancy and also, worked at Daniel and Henry. Nancy, was one of the most caring person that I knew. She was always smiling and had a great sense of humor even if something was bothering her but, would never complain. Her pride and joy were her Granddaughter Ashley and all of her dogs, especially Sweetie. She could not wait for her visits to Maine. She was a joy too be with and I am glad too be able to call her my FRIEND. Nancy, may you R.I.P. My sympathy goes out too her family.
