“ I knew growing up that Mom helped me and took care of me for many years. As I got older, I knew I would do the same for her. I love her and I wish she was still with us today. I still remember every time we talked on the phone, the last thing we said to each other was, " I love you". Now all I can do is say it and hope she hears me. I hope you are sitting with your Brothers and Sisters, your friends Roxie and Doris and your boyfriend Harley again. I hope you know how much you meant to us all. I will never forget you and I will think of you every day. I love you Mom and I hope you are at peace now!

“ So sad that Aunt Zoe had to leave but glad that I got to talk with her from time to time and that she always knew who I was and thanked me for chatting with her. Our condolences to the entire family. Our thoughts and prayers are with you all now and always. Rest in peace Aunt Zoe. Always love, always remembered. And enjoy that family reunion in Heaven. I'm sure it will be a big one. Love you all, Patti and Lon
