“ *Adele was like a mom I have never had. Her son Scott and I were together for 12 years before he passed away in 2016. She has always been there for me and her grandson scotty. Life definitely isn't the same on this earth without her. Thank you for these past 18 years of knowing you. Please give my gma a huge hug and tell her I love and miss her everyday. I hope you are both dancing in the Sky*
