“ Blessed memories if Nina, my godmother. She always greeted me with a smile, whenever we came to her home. I remember spending time during the summer at their house, enjoying the girls "my cousins" and I warm and happy home. Like a second mom, I was away excited to see Nina She had The kindest soul, the softest eyes and an encouraging word throughout my life. We will miss you.

“ Growing up I called Mrs Salazar Nina, my god mother, she was a kind soul and always had a beautiful smile to greet me and welcome me into her home. I always looked forward to spending time with the Salazar family as a child and her kindness guided me through my life as an adult, she instilled in me as sense of well being and showed me the kindness I needed as a child growing up to help ensure some stability in my life. She will forever remain in my heart and thoughts and prayers and I will miss her greatly. She was one of the most thoughtful, honest and kind souls I had ever had in my life.

“ *Uncle Joe, Rita, Rosie, Valerie, Gina and Marie,*

*When Johnny, David, Lisa, Gail and I were growing up we took several trips with mom and dad every year to Kansas City to see Grandma and Grandpa Salazar. We all looked forward to our first stop in St. Louis to visit with you and Aunt Pearl on our way there then back home.*

*Aunt Pearl was always to prepared for the additional 5 kids from Michigan coming into her home. She had warm hugs and kissed when we arrived and when we left. I remember her welcoming smile and her eyes literally had a twinkle in them.*

*We are blessed that she was our lives and will she will always be in our hearts.*

*Love,  
Janette*
