

Anthony Keith Hill

May 30, 1949 - December 6, 2020

Anthony Keith Hill son of the late Vernon Batist Hill and Vera Admore Williams was born May 30, 1949 in St. Louis, Missouri. He attended Sumner High School where he graduated in 1967 as a proud Sumner “Bulldog”. At an early age he attended Centennial Baptist Church where he professed his faith in Jesus Christ and was baptized. In his adult age he re-dedicated his life to Christ while attending Grace Church - St. Louis.

After graduating high school, Anthony attended Washington University in St. Louis where he studied Business Administration. Anthony met Vicki A. Saunders on a blind date through mutual friends and through their courtship they were joined in Holy matrimony on June 24, 1970. This union was blessed with two children.

Anthony came from humble beginnings and went on to have a meaningful and impactful life. As a youth Anthony was an accomplished pianist and Boy Scout until he discovered a love for baseball where he was coached by and played for his father and went on to play for his high school team. Anthony also coached youth baseball.

Anthony started his career as the Manager of Normandy Bowling Center, where he became an avid bowler. He loved to teach others how to bowl and he became a professional competitive bowler where he still holds local

records. Anthony went on to become an entrepreneur joining his father in the dry-cleaning business in 1973 and eventually owning his own location. In 1983 Anthony transitioned from the dry-cleaning business to a successful career in sales with 3M Corporation where he was a copier salesman. Anthony used his success in the copier business and his entrepreneurial spirit to start his own copier and office supply business which he owned from 1992 to 1998. He went on to his final career which he truly loved with Metro Transit as a bus driver, he transitioned to a Transit Manager and remained with Metro until he retired in 2018.

Anyone who had the chance to grace his path was greeted with his affectionate smile and his positive and energetic spirit. Anthony loved life, family, people and music. He was the family chef. He was an athlete, fierce competitor and strong leader. In his later age Anthony picked up the hobby of playing golf. Being a fierce competitor, he would play several rounds of golf a day to perfect his game. He loved to compete and the challenge of overcoming obstacles to achieve success. Anthony loved his two daughters dearly and he also found fulfillment when he reconnected with his only son in 2005. Over the past 15 years they formed a true father/son bond and beautiful friendship. In his retirement he loved spending time with his family, grandchildren and friends.

He was preceded in death by his parents, Vernon Batist Hill and Vera Admore Williams, brother Vernon B. Hill Jr. and sisters Willa Mae Edwards Hill and his twin sister Antoinette Marie Hill.

His beautiful life will forever be cherished by his wife of 50 plus years, Vicki A. Hill, his children: Angela (Melvin) Ballenger, Marcus Weaver, Antoinette (Patrick) Fuller, seven grandchildren, brothers; Ronald G. Hill, Paul E. Hill sister; Minette R. Hill. Anthony has five brother in laws and eight sister in laws and a host of nieces, nephews and cousins who love him dearly.

“ The SEER(Surveillance, Epidemiology, and End Results) data for multiple myeloma has been published in 2013 by the National Cancer Institute, and the average life expectancy remains at 4 years for the third year in a row. However, some people beat the odds and live 10 to 20 years or more with Multiple Myeloma Cancer and our Dad lived 15 years!
Thanks to our God 🙏
He was a true warrior 💪🕊️❤️

“ *In Loving Memory of our dear friend Anthony Keith Hill*

We shall always remember the fun we had playing on Cupples Pl. The House Parties our mother let us have, walking up the street to The Salvation Army Euclid Ave. Corp. playground, riding our bikes to the alley and back, and stopping at your house talking to Mr. Jake on the front porch. Those were the good old days. You will truly be missed but happily reunited with your twin (Marie). RIP

“ I will forever remember our last encounter at our 1967 class "stepping into the 70's" celebration, you were having the time of your life dancing and making connection with all of your classmates. I looked back at the photo we took and I am so glad that I will have that memory to always be able to look back on to remind me of our bond as cousins . You always refer to me as your cousin because of my being related to your aunt Jean Hill Black, and I was so honored that you made me a part of your life. RIH my dear cousin and you will be missed by me as well as all of your 67 classmates. Condolences to your mother and all the Hill family you all are in my thoughts and prayers

“ Our most recent memory was a round of golf with Uncle Anthony, Dad, Chris, and myself a few years ago at Forest Park. We took time out that day to make it happen after several summers in different cities. Hearing stories about dad and Uncle Anthony growing up were always welcome and comical as each brothers perspectives were different 😊 due to the age differences; I will miss those conversations but never forget their content, or blessing and the focus he put on family!! 🙏❤️
