“ Oh, Barbara, you will be so missed. My heart aches with pain of memories of the past: Memories of you giving to a young, impressionable, chubby-fat, thirteen year old girl, a beautiful, off-white, size 7, sheath, double-knit, dress; because the girl coveted the dress. There was no chance in hell that this child-woman would ever be able to wear the dress in her lifetime, but it was your act of love and faith. And then the greatest gift of all: When I was 14 years old, you actually took me to see Elvis Presley, in person, when he was in St. Louis at Kiel Auditorium in 1957. My dream come true! My words can not express the loss I feel, for I have lost a close family member. I am happy you are with Frank, and happy you are with your Mother, whom you have always wanted to be near. God keep you. I love you. Jean Biondo Hinds

“ Oh Blessed Mother Mary, take our loving and giving Mom into your warm embrace and kiss her cheek, whispering in her ear that her family is so proud of the valiant battle she fought against cancer. Her kind nature, quick wit and nurturing heart prevailed through years of difficult treatment. Although we may be sad with her going Home to be in your care, we are grateful her suffering is over and she is at peace with all those whom have gone before her. Amen
