“ Oh Beverly, we go back to high school and we've kept in touch with a group of friends over the years. You sang so beautifully for two of my sister's weddings. Felt so sad that your mom and dad couldn't hear you. Say hi to Judy for me.

“ I will never forget the Christmas that you kids voted to give us your Christmas money since Kurt and Paige still believed in Santa. What you really wanted was a tree. Little is much in the Master's hands. With my mom's help, we were able to get a gift for everyone. On Christmas Eve I was hoping I would have enough money left to buy two trees. When I got to the lot near our place, the guy had gone home. I took two trees. It turned out to be the most precious Christmas ever. I appreciate everything you all did for us. You are always in my prayers and in my heart.

“ I have such wonderful childhood memories of Beverly and her family in the house in Black Jack. Just yesterday, I was reminiscing and telling my kids another story about the Pauluhn family. At that moment, I didn't realize she had passed away. There are so many great memories that I have shared with them over the years, but this particular memory was how she let us carve our names in her kitchen table and hoping that she still had the table. What great times we made there!

Beverly was an amazing person and such a wonderful role model. I can't thank her and her family enough for everything they did for my family. She had such a positive impact on my life and I will never forget her.

My thoughts and prayers are with all of you.
