“ *My name is Debi Williams. Beverly is my aunt my dad's side. From Missouri. I remember when Buzz and Bev used to live on the property of Valhalla in the house on the hill, they also had a monument shop on the Rock Road at the edge of the property Williams monument. I learned how to draw roses and fancy lettering at the monument shop my dad would visit often it was his brother Buzz that owned it. I would trace the rubber templates, they used to draw flowers in wording on The monuments. I think I was 6 or 7 when I first hung out there with my dad and my uncle. We visited buzz and Bev a lot at the house and they would barbecue and we would play with Bev's bird, "Star we-Bev*
