“ Thank you, Momma.

For every kissed skinned knee.

For every cuddle in your chair.

For every lesson you taught.

For every meal you prepared.

For every pat on my back.

For every slap to my head.

For every sadness you soothed.

For every tuck in my bed.

*For every word that you said that made me who I am,
I'll carry that with me until I see you again.*

“ We were only able to meet Kaytee one time, when her son Dan proposed to Rachel. So sorry we were not able to get to know her better but can say with great confidence she raised a good man in her son Dan. We are proud we were able to get to know Dan well. Our sincere condolences to Dan and all his family. Losing someone is always hard.
