“ *Cameron was a very close friend who I saw as a brother. When I first met him we hit it off right away and once I had the privilege to meet his mother I knew I had adopted a new family. I wish I could've saw him more outside of the bowling alley more but we both had busy lives. I just want to say he will truly b missed but never forgotten. Til we meet again bro.*

“ *Moni & Vince.
My thoughts are with you and your family.
I remember Cameron's wit, humor, and spark from the interactions he had with his fellow Scouts and me as one of the adult leaders in Troop 803. I am grinning at his pic on this website, at his ear-to-ear grin, thinking of the time he had us teared up in laughter about getting locked in a big gun safe at Sam's. He had his peers and the adults doubled in laughter.
I am truly sorry for your loss.
