“ So deeply sorry to hear about your loss. Loved Carole and so appreciated all her guidance in decorating. She will be greatly missed by all who knew her. She so loved her family and always shared whatever was going on in her life with me. Such an open and caring person. Wish I would have kept in touch this winter. So many regrets but will always miss her. *Nina Pool*

“ I'd like to thank Carole for the wonderful memories throughout our friendship, cleaning her house together and going out, having a good time. Our trip to Sedona a few years ago that was unforgettable. Rest in peace, my friend.
