“ I will never forget the first time I met Mr. Chow. He came into the office at Gateway to register Adeline and Adelaide for school. He had the biggest smile and was so kind. The Chow family became such good friends that we think of them as family. Mr. Chow, you won't have to worry about your family because you were a wonderful father who taught your children well. They will take care of Mrs. Chow and some glad day you will all be together again. What a reunion that will be. Rest well Mr. Chow, you have earned it. Mrs. Chow, Adeline and Adelaide...it was our privilege to know Mr. Chow. He was a good husband, father and such a hard worker. I never saw him without that smile he always wore. Praying for strength, comfort and peace that passes all understanding for you and your family.
