“ I spent time w Colin at Mason Pointe, had lunch, shared stories of Glasgow Village, north county restaurants, people we know. He enjoyed it I'm sure because he laughed at some of my stories. Lived about a mile away 50's, 60's, 70's in Glasgow. I hope he enjoyed our shared time. I called several times after he got out and back to his apt. . We talked. The 2nd time, no answer and was concerned. What a great guy. My wife and I are so sorry
