“ I became friends with Court, through his sister, Kris, when I was a teen. We all used to go out on the weekends together. He was funny and smart. I don't know if he ever realized how good of a guy he was. He will be missed.

“ Court helped Joel and I see each other when we met online 22 years ago. We've been married 20 years now. I lived in Florida. Joel lived in St Louis. Court was a great friend to Joel and means so much to him. The Longworth family is in our hearts and prayers. Rest In Peace, dear Court. You will never be forgotten.

“ I remember when Court came to my 45th birthday party and sat around with all of us singing Bowie and playing his guitar. That was the last time we saw each other before we each went back to our crazy busy lives. It was a good night and he was a good man.
