“ Curt, Lisa, and Kelly ... all my sympathy at the loss of your father. He was always very kind to me and even though he was far from Melissa, he would check in on her pretty regularly. He truly knew the importance of family.

“ *Grandpa I cant beleive you're gone. We had so many great memories together. Whether it was giving tumbleweed some beer or the sleepovers where the alarm got pulled. Never a dull moment with you. I'm so glad you got to be in bentleys life the last 3.5 years. We both love you much and one day we'll meet again. Fly high and always watch over us. ?*

“ Grandpa- Words cant describe how much you meant to Bobby and I. You were so special to both of us and we will miss you dearly. This has been a hard week for me and i know your probbly saying everything is ok chris dont worry about me im doing just fine. Cause thats what you always told me when you werent feeling well because you never wanted me to worry about you. I know your up there with grandma and jason looking down on us but that dosnt mean that i dont miss you and want you to come back to us. I hope heaven is wonderful and i know we will meet again. Please give me the courage to stay strong and move forward. I just have to keep thinking of all the good times we shared like all of our crazy sleep overs, our homemade mushrooms, and collecting our quarters together those memories will never fade. As i keep rambling on I want you to know most importantly how much i love you and that will never change!! RIP Grandpa!!! Love you always and forever Chris ?
