“ Looked forward each day to seeing Dave and his brother, Don, either riding their bicycles or walking the streets of Dave's Florida home community. He will be missed by the residents of Live Oaj.

Dave was our neighbor at Live Oak for the last 15 years. At first we lived on the same street. He moved two streets away, and we moved two lots away from him. He was amazing for his stamina. He walked and biked the park with his brother Don, and he regularly walked past our place pulling his golf clubs on his way to play a round of golf. And this was a week before his passing. We were fond of Dave, and will miss him. God's blessings upon his family. Dale & Betsy Gleason
