“ I met David when he moved to New Orleans in the 80's. We worked together at Maison Blanche and we very good friends. I am so sad to see that he has passed and I tried to get in touch with him so many times. He was never late with my birthday card and when it did not arrive I called to get no answer. He was such a good friend and I will miss him. He was so thoughtful and loving. Prayers to his family and and daughters for his great loss.
