“ A paragraph or two could never do justice for my mom's memory. She was a fighter to the very last breath, never letting the diagnosis of MS, or any other hardship thrown her way, deter her from doing everything she could for her children. She was a single mom and devoted herself to the three of us, driving us crazy at times but we always knew it was out of love. I'll miss you, mom.

Love,
The Good Daughter (Kim)
