

Mrs. Dolores Eileen Floyd

September 12, 1921 - November 10, 2015

Dolores was a wife, mother of 2 daughters and homemaker until life mandated that she enter the business world. She quickly became involved in sales of various kinds but really excelled at business sales and customer training. Her personality and skill with people served her well in this work. Over the years she worked for McDonnell-Douglas and McBee Systems, doing class scheduling and supervisory training long before the advent of computers. Her career culminated in her 25 year partnership in Custom Medical Forms.

Dolores was always involved in charitable organizations beginning with Lambda Tau Delta Sorority and The Red Feather. She was instrumental in starting the Suicide Prevention Hotline in St. Louis. She later became very committed to the Rotary Organization, an excellent outlet for her organizational skills. She was the Lieutenant Governor in District 6050 in Missouri 1996-1997 and was asked to save and restructure a failing Rotary chapter. The Club survived under her leadership and became the Fenton-Valley Park Club with her as Charter President.

Dolores was the consummate hostess and liked nothing more than giving a party or having friends for dinner in the home that she so loved. In later life so many of her family and friends predeceased her and time took it's inevitable toll on her health. We were grateful to be able to keep her in her own home with the people and pets that she loved.

A special thanks to Denise Basilio for her loving companionship. Our heartfelt thanks to Hope Hospice, especially Kristin Roberts and Patty Mossop. Our

sincere appreciation to Renee Sheppard for her loving care and support. In lieu of flowers, donations may be made to Saint Joseph's School/David Ross Memorial Fund, Saint Joseph's Episcopal School 3300 South Seacrest Blvd. Boynton Beach, Fla. 33435 or The Humane Society of Missouri 1201 Macklind Ave. St. Louis, Mo. 63110

“ My sweet Gomie...in times of rebuilding, she welcomed me to her heart. And I felt loved, cherished, supported and appreciated. For two years we shared lovely stories, memories, had great laughs and great talks. I miss her everyday...and I am so blessed to have had the opportunity of getting to know, at a deeper level, such good woman! Strong, stubborn but loyal and caring. A true friend who lived a full life of good and bad times, without fears. She raised two beautiful human beings who I have the honor to call my friends! That is Gomie's legacy. She'll always live in my heart and I hope that I will become some of the great woman she was. I love you, my sweet Gomie!
