“ *I will always remember the breadth and strength of my Mother's character. She was comical; driven; emotional; industrious; loving; sensitive; well informed, and fiercely independent. Above all else, Mom was staunchly protective of her family.*

Mom loved to bake artful cakes, elegant cookies and special treats like brown-bread, Rice Crispy concoctions, Milnot Cheesecake and the much revered Reuben sandwich... much to the delight of all present.

My Mother gave me life, and made me ready to prosper on my own. I love you Mom, and I will miss you. Thank you for a lifetime of example, love and wonderful memories. May God bless you, and keep you close.

No farewell words were spoken, no time to say goodbye, you were gone before we knew it, and only God knows why. If tears could build a stairway, and memories a lane, I'd walk right up to heaven and bring you home again. You were the brightest light in the heavens with the most amazing smile. You will always and forever be missed. I know you're with God and out of all of the pain. I'll love you forever. You were my sister, my mother, my friend and I lost a great love. You will always be in my thoughts. Sherri

“ *There are so many, the few I have chosen and remember was the special little treats she would leave under our pillows when arriving home late at night when we were sleeping. Chasing us around the house with her special scary face on, us kids terrified but always wanting more. These and many more special memories I will always cherish till I see them both again. Love you forever Mom.*
