“ I miss you every day! I don't know how many times I have said to other loved ones, "Oh my God, I miss Donna so much. God, I wish she was here. I would give anything..." She brought love and light to everyone she came in contact with and put EVERYONE before herself. She was and still is the most selfless person I have ever known. I will be laying in bed at night and just start talking to Donna, just like I was on the phone with her.

I know you are in a better place, but I selfishly want you here with all of us, still in our lives. I miss you so much. If words could only express! I love you now and ALWAYS!

You would be so very proud of the AMAZING YOUNG WOMAN, Gabby is! She's kind, sweet, but tough! Just like you taught her to be.

Miss you always and forever, "Donnabear."

Love you always, "Courtz"

“ *Its so hard to believe this happened, Donna loved her Gabrielle so very much, her daughter was her .greatest accomplishment in life. She was completely selfless when it came to her Gab. It brings comfort to know Donna is now in heaven with our beloved Dad and Grandma Brown whom she loved so dearly. She would always call our Mom, Mommie Doll in her cute little voice, I will forever miss hearing that. Donna loved our Mom big time, and Mom loved her just as much. Donna had a special way about her self, she could make you laugh at the drop of a dime. She was very good at saying grace before dinner, I will never forget the time she was saying grace at dinner and she made me laugh during her prayer, i laughed so hard i was crying but she was so serious, after we said Amen she said what Min im for real im serious, I said I know its just so funny. I want to mention her beloved Pup whom she loved and was heartbroken when he went away, she believed Pup went to doggie heaven so I hope she can see him too. Donna left us to soon, but her Mommie Doll said it best, God needed a Angel and he chose Donna. I love my sister Donna so much and will truly miss her, we will all truly miss her*

“ Rest in Paradise Mommy ❤️🙏🏻👼🏻 Words cannot express enough how much I miss my mom, my best friend, soul sister, and just my everything. Such an amazing woman was taken from us unexpected and way too soon. For everyone who knew my mom, knew that she is an amazing woman. An amazing woman who always put everyone else before herself. I've learned so much from my mother; such a sweet, genuine, caring, and loving person. Words can't describe enough how amazing she is. Please keep myself and my family in your prayers as my mom would want us to. ❤️

“ Donna was a strong, beautiful, loving, caring, and most of all faithful person. She trusted anyone she met. She would give the shirt off her back. Donna was so giving she never told anyone no, if she could do it she did it. Donna was always there for me. Donna loved her daughter Gabby with all her might. Donna also loved her animals. Donna was so proud of Gabby and her fur babies. Donna I love you I know ur up in heaven with my mom and I know your watching over us now. Donna you will truly be missed and I live you more
