Donna K. Weibel

May 23, 2017

Weibel, Donna K. 67, of O'Fallon peacefully passed away Tuesday evening holding her husband Samuel J. Weibel's hand as he expressed his love for her and surrounded by her loving family.

She was the daughter of the late Andrew H. and LaVerne Mae Dutson. She grew up in Eureka, MO graduating from Eureka High School class of 1967. She attended Southeast Missouri State College before moving onto UMSL where she earned a degree in Chemistry and Biology.

Having been raised in that small town, she learned what hard work was which she proved in her work ethics sometimes working two or three jobs because of her desire to have the things she wanted. She worked at CW Transport, Conway Central Express, Arthur Wells Incorporated and Jacobson Logistic. She also worked at JJ's Restaurant where she made many friends whether it was a fellow employee or customer. She was loved by all.

She was a devoted and loving wife to her husband Sam. On May 19th, they spent 38 wonderful years together. They enjoyed traveling in their RV to

different parts of the country visiting family and friends on each trip. They also welcomed many of the people they met or blogged with to visit at their home.

She was also a loving mother to her four sons and their wives, Sam Jr., Timmy (Bonnie), Richard (Stephanie) and Andrew. Also, she considered Shana Shaw a daughter.

She was a wonderful grandmother to her three granddaughters, Allie, Megan and Katie as well as her grandson Adam.

She is survived by her brother Patrick Dutson Sr. his wife Kathy. Her brother in laws Bill and Wayne Weibel and her sister in law Wendy Weibel. Her beloved nieces and nephews Diana Payne, Connie Colette, Tammy Weibel, Barbara Weibel, Patrick Dutson Jr., Jacob and Owen Brink. Also, numerous great nephew and nieces.

She was preceded in death by her brother in law Rick Weibel who she had more of a brother sister type relationship. She adored him and missed him deeply when he passed.

Her passion for life showed in her many hobbies and interest. Besides her love traveling there was her love of baking. She was known as the one you went to if you needed a cake for a special event. She never forgot days or interest that affected her coworkers. She would come to work with a special cake or treat, always caring and loving her fellow coworker. There was also her love for animals. Always feeding the birds in her yard. There was always a dog or two in her home. Her present and past dogs Riggins, Sadie Mae, Charlie, Duke and Zep were showered with her love.

She will be missed by her family as well as her many friend all of whom loved her dearly. Her beautiful smile and amazing humor even through her illness

will carry all through the grieving process. Donna's son Andy feels this quote sums up how Donna would want all who loved her to look at her death this way:

“Don't cry because it's over, smile because it happened” - Dr Seuss

“ I have spent the last two months with Donna helping her with whatever I could. Even though she had been married to my brother Sam for 38 years, because I was a teenager when I first met her, we never got to really know each other. So I was very fortunate when she asked me to come from Scranton, PA to help her. I got to know her as adults for really the first time. It was honor to be by her side through the final days of her life. I will cherish the time I spent with her. I am very lucky to have a sister in law like her. I have the memories of making her laugh because of my first time experience with field mice. I can not express the sadness in my heart but I am grateful that she is at peace. So to my dear friend and sister in law, fly with grace as I know you will and be reunited with family, friends and pets that are waiting for you. I know the next cardinal I see will be you checking on us.
