“ I am terribly sadden by Aunt Dots passing and will miss her more than words can express. She will always be remembered with fond thoughts. I can still remember when my sister Tammy was born and Aunt Dots came over to help my mom out. I was not quite 3 yrs old.

“ Here on Mother's Day, the first since Aunt Dots passing, we know that she is greatly missed by Vickie, Ricky and Uncle Richard. I, too, am missing her. I have a lot of fond memories as all of you have been a part of our lives as well. Wishing Aunt Dots a peaceful rest.
