“ Dear Auntie:

*I will miss you dearly and am so thankful you were part of my life growing up and as an adult. We had some great times together and good (Looooong) phone conversations. You always had a heart to help others, especially your children and grand children. Your family was your life and I am so grateful you were my Auntie!*

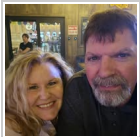

*I will miss your laugh, you always found humor in everything. What a great memory to leave behind for us.*

*Thank you for being such a wonderful Auntie to me and for caring about me and my family. I will miss you so much...but I will see you again one day in Heaven!.*

*Love,  
Your niece,  
Donna Wheeler*
