“ *Edna - to a wonderful woman - it is hard to believe you have left this earth and gone to be with the Lord. I haven't seen you in a long time; but boy do I remember the talks we had when I was going through such a painful divorce. Just lost my little girl, Michele, and then a divorce. You were there to comfort me - how I loved coming to your house on St. James in Manchester. I know Dale and you had the best relationship as a husband and wife - never seen a relationship as wonderful as yours. I will truly miss you but will see you one day in heaven!*

*Love
