“ Mike was one of a kind. Our team ALWAYS looked forward to seeing him when he came in for his appointments. He always took the time to get to know us and show how much he cared. We always enjoyed spoiling him with sweet treats! He will be greatly missed. May he rest in peace.

“ Mike loved me and my family... and we loved him right back. He gave a toast to my brother at our charity banquet and left everyone in stitches, and in tears through smiles at the same time. Funny, witty, smart, wise, and kind.... oh, and brutally honest. I was looking forward to our next hug. Mike, when it's my time, I know you'll be waiting with that hug we talked about. Until then, catch some big ones with Bland and Benny! I know they were happy to see you come home! Miss you Kraemer.

“ So many great memories with Butch. He touched so many people. He always put so much thought and love in his thank-you notes. I'll miss many things with Butch, but I think most of all I'll miss having coffee with him on the porch solving the problems of the world. Rest in Peace Butch, we love you.
