“ *I remember Gail for her incredible and persistent kindness when I worked in SLU hospital laboratory. She was calm in the face of adversity and used humor to diffuse unsavory situations. Such a tremendous source of good.*

“ Will miss seeing you at our functions. Always a sweet person to talk to anytime.

When we lose a loved one here on earth, we gain an angel in heaven that watches over us. May you take comfort in knowing that you have an angel to watch over you now
