“ You were lifted to heaven, on the wings of a dove,
Your family below you, crying out their love,
We'll never forget you, as long as we live,
All you ever did was love and give.

“ *Steve, you were such a great person to work with and we all will miss you here at SAIA. You always had a smile on your face and were always there to help us when we needed you. Kathy and Amanda, he talked so highly of you both and the grand baby. He was so proud to have you all in his life. You definitely could tell he was a very happy man in every way. I wanted to send out a message letting you know you will all be in my prayers and deepest sympathy for the loss of a great man. - Sarah Dorsey (SAIA)*

“ *Honey, our hearts are shattered, a deep unhealable, unbearable pain that you are gone. How we will ever go on without you I don't know. You were the rock, the husband, the father, the grandfather, you were everything to us. I thank God you are no longer in pain but God how I still want you here to hold and take care of and tell you I love you. You will always be alive in our hearts, our memories, and just everything we do or say, every day. I miss and love you so much, it hurts so bad. You are the strongest, bravest, most selfless moving man there ever was. I will see you again someday in Heaven. Your love for me and my love for you will forever be in our hearts and nothing can take that away. I love you baby.*

Steve has been our brother, friend, the center of our family for so long. We will never quit missing and loving him. I just can't say how much he meant to us. Him and Kathy together was just a wonderful thing to see. It was meant to be. Our hearts are so heavy with sadness. Be at peace and in comfort now Steve. You will always be in our hearts.
