“ Praying for Futrell family. I grew up with that family, living up the street from them in St. Louis. We went to the same grade school and high school. RIP Gerald aka Red.....

“ Send my condolences to the Futrell family. I will miss Gerald aka Bro In-Law, he was the life of the party especially when one of his favorite songs came on " Happy" by Pharrell. I know that Karaoke (Tuesday) will not be the same R.I.P. OG. Much love Nani

My Condolences to the Futrell family. Gerald was a good friend of mine in Kansas City for 23 years. I will miss his great sense of humor and pragmatic outlook on life. He taught me many things about the nature of people and life...I can say he was one of my favorite people ever... RIP brother. Nick
