“ Gerald or Jerry as he was known by us at St Mary's in the maintenance department was more than just a coworker. He was my friend and he will be deeply missed. He was a very kind man and respected everyone and they respected him as well. We hunted together, fished, did meat shoots, and I did the clean stream with him several times. I love him like a brother. I had the privilege to be around him his last days and see him accept Jesus as his savior. I will miss you my friend and remember you the rest of my days and will see you walking the streets of Glory! Many blessings to his family and friends!
