“ My condolences. Grace “Busy” will be greatly missed. I’ll forever cherish the fond memories of having a wonderful neighbor who was also like a grandma to me. She was always active which is why the name I gave her “Busy” stuck. She was a woman of class. Was very hospitable, loving and kind. Don and Julie inherited those wonderful traits and characteristics from this wonderful woman.

She was very crafty. Busy made a house a home welcome to all. She loved to bake. My favorite were the holiday cookies her and Don would make. The kitchen and dining room would be full of tubs of different types of cookies they’d bake. Delicious. She also made the best cakes with orange flavoring from real oranges. If she felt artsy, she’d make fancy cupcakes for a holiday. I remember her making Easter basket cupcakes. I don’t think there really was anything that woman couldn’t do. I was absolutely fascinated by her.

I wish there were more people like Busy in this world. Thank you for being one of the best neighbors I’ve ever had and for taking me under your wing.

Gone. But never forgotten. Until we see each other again in the next life...

I love you. Xoxoxo
