“ Ed and I had Sunday School class with Dean and we enjoyed the learning time with him. We always learned a different way to look at what we thought we already knew. We also got to work with him and Betty on Wednesday night dinners. I remember Dean passing around a tray of warmed up cookies, right out of the oven (who knew they were store bought). We will miss him and his smile and will be praying for his family.

“ Back in the 70's, Dean was my youth choir director at Compton Heights Baptist Church. He was an amazing person, loved young folks and was an excellent example of what a Christian should be. He taught me to sing louder by trying to make my voice go through the top of my head. Sounds strange, but.....it worked. He was always patient and kind, a true example of what a Christian is. Had not seen him in over 40 years, but will always remember him helping me to grow as a Christian and a human being. Thank you!

“ Dean was a true friend during the days that I had the privilege of serving as his pastor. He was always truthful and present in every situation. He would tell you exactly what he believed and then he would never leave the situation up to you alone.
I loved being with him on several mission trips. The trip to southwestern Oklahoma was most memorable. Even though he had never experience 100+ degree heat he never complained but worked faithfully teaching kids in the sports camp we conducted.
He will be missed!
