“Helen was one of the sweetest people I've ever met, and I'm not just saying that because she always offered me little cups of Haagen-Dasz. She would always ask me about my days and I enjoyed talking to her a lot when I visited her niece at her home. I know she cared a great deal for everyone around her and it was very much reciprocated. Her kindness will be greatly missed.

“I worked with Helen for 30 years at Brown Shoe. I think that we had a very good relationship. She was always a very conscientious worker who would listen and discuss work related items as well as any personal concerns you may have. I don't think of her as just a coworker but as a friend. Thank you Helen for all of your help.
