“ *My sympathy to the Perkins family with passing of jimmy john. What a wonderful man he was. I am sure that my dad, Jim and myself spent thousands of hours fishing together from the time i was 6 or 7 years old. I will treasure those memories for ever. I also had great times working at the firehouse with him. He could fix anything with a screw driver, hammer and bailing wire. He is still the only man i know who could fall out of a boat and jump back in so fast he didn` t even get his wallet wet. Glad i knew him.*
