“ I honestly cannot believe you are gone. I will never have a friend like you, and I feel so blessed to have gotten a second chance to know you. You were smart (honestly the smartest woman I know), tough as nails, but you were truly one of the most caring, kind people I know. My life is better for having you in it. I will forever cherish your friendship Jess. You've inspired me to live life to the fullest—no excuses. I miss you!!!
Keeping you, James and the twins in my heart and prayers.
Love you always,
Ellen
