“ I'm so glad that our friend, Jane, and I got to visit Jinx a couple of days before she passed. I doubt that she knew who we were but she always smiled when someone came by, staff or visitors. It was before Halloween and there were decorations around. I saw a cat decoration sitting on a window and when we brought it over, she was sooo happy. She loved cats.
She was a friend for many years and a beautiful lady. And I love the photo here on her obituary. She was a beautiful lady inside and out. Prayers for her family.
