“ Joane was a roommate of mine a few years ago @National Health Care where we became good friends and still were..sooo much fun she was! The nurses and aides there liked to hang out in our room best because the temp was cooler than most and we had fun! Such a kind-hearted generous woman and friend, always caring more about someone elses needs than her own..can't imagine my life w/o her..she will be missed and I look forward to being with her again <3

Keith...am so sorry to hear about this. I am thankful that I was able to visit with her on my recent trip. She was always so witty and funny...dancing the Macarena at the winery in her wheelchair... RIP Aunt Joanne and may God's love wrap around you, Keith, and comfort you during this difficult time!

Keith, I am so sorry to hear about Aunt Joanie and I am so happy I was able to visit when I did and get to see her again. She lived a good life and I remember many great times with her.
