“ *Brenda & Steve first met Jay not long after we got married. He came over to a party we had at our first little home in Saint Ann. That was way back early in 1977 We liked Him immediately and became very good friends. We started attending rock concerts together. It was at a concert Brenda & were attending with Jay and my sister Nancy that they first met. They hit it off of course and soon started dating and became man & wife. We have had so many good times and memories together through the years it is impossible to count. We are going to miss you Jay. There will be a hole in our life till we meet again in heaven. We will always love you.*
