“ I too was just informed of John's passing. I would stop and say hi to John daily, he would always have a fun comment or good story to swap with me. He could always put a smile on my face and will truly be missed.

“ I am broken hearted that I was unaware until today that John had passed. John was our Security person here at Enterprise Fleet and I talked to him many times. John and I shared an interest in Firearms and Politics and had many an interesting conversation. To his Family I extend my most earnest condolences, I know what a jewel your family has lost.
