“ *Dear Mr. and Mrs. Sadaka,  
My late husband Evangelos (affectionately known as Angelo),  
walked in your shoes and took the journey that you are now on.  
Jordan is now an Angel in heaven that will watch over you, as does  
my infant son over me and my family.  
May our Panagia Theotokos cover you with Her Veil of Protection  
and help you. Our Theotokos is whom I turned to for comfort. After  
all, she too experienced the loss of her son. Talk to Her. She  
understands your pain.  
I send my love to you.
