“ *My condolences to such a great man . Such as easy person to talk to and treated everyone with respect and love. The fun his son Steve and I have had with him is memories that will last forever from the dinners before bowling conversations to the rides taking him home conversations. I know he really loved his (Rube) Laverne, as he expressed to us every time together. Thank you for being that guy, father and for raising a great friend/brother Steve and giving me the opportunity to have memories with you two that will last a life time. Love and miss you Bill*
