“ Mrs. Wood was one of our OASIS Tutors at Duchesne Elementary in the Ferguson-Florissant School District. Her loving, caring, and soft spoken manner demonstrated the affection she had for her students. her fellow Tutors, and our staff. She was very dedicated. Mrs. Wood wanted only the best for her students, and spent countless hours preparing her lessons, collecting books, and discussing the personal and academic goals of her students. I looked forward to seeing her beautiful smile every Wednesday!! She often shared her experiences and wisdom as a former Special Education teacher, which became our "special time" together! I will truly miss Mrs. Wood and will always treasure our friendship! Sending love and prayers for the Wood family

“ I was so saddened to hear of Judy's passing. I have known Judy, working for SSD, for many years in Hazelwood and also at Ackerman School. She was a kind and gentle soul who had great patience and compassion for her students. The world needs more Judys. She will be missed and remembered for her good work. My thought and prayers are with her family.

“ Ed, I am so sorry for your loss. Judy was a wonderful person, co-worker and friend. I enjoyed working with her so much and learned so much from her when I first started working at Ackerman. She had such a good heart and loved the students so much. She enriched the lives of all of her students. Her kind and giving heart will be missed. My thoughts and prayers are with you now during this difficult time. Rest in Peace Judy. Lori Guess
