“ I attended db high school with Karen but also had a chance to reunite with her at the y during excercise classes. She was always talking about her grandchildren and how she loved to visit them. She was always smiling. Pat meyer alster

“ I remember Karen from high school at Bishop Du Bourg as we attended classes together. At a class reunion in 2018, we commiserated about missing grandchildren who lived overseas. She was a sweet, gentle soul. May she rest in peace.
