“ Kathy was always so happy to see me at Barbershop events. I loved getting her decorated cards for birthdays and holidays. I have so many little remembrances from her in my Christmas decorations. I'm only sorry that I didn't take the time to call more often. She was a very special lady and I was honored to call her my friend. We're counting on your help from heaven, Kathy! I miss you already!

“ Kathy was such a sweet lovely lady always. She brought much joy to others with her special cards, and gifts. So many good, happy memories with her, Charlie, Doug, and Andy- trips, birthday celebrations, music, santa and holiday visits, that always included coffee and interesting conversation.... Those special times are close to our hearts, and make us smile! Much Love to Charlie, and many prayers for him during this time.
