“ Sending my condolences to Nancy, Marvin, Jennifer, Mike, her nieces and nephews and closest friends. With the kindest, truest heart, I don't think she ever made an enemy. I am grateful for our friendship and all the time we spend together. Working with you at Nordine hanging out at your house watching you sit on the chair at the sink and do the dishes. The only person I ever took an Amtrak train to Chicago with for Fourth of July weekend and we were shivering cold on that double decker bus off Lake Michigan, but we were still having fun! Rest in peace, my friend, Kathy until we meet again.

“ My sincere condolences to you Nancy Walker and family! Kathy was a true sweetheart. Though she faced sickness in her body, she never let it get her down growing up! She was always sweet and full of joy! Many wonderful memories going to school together and hanging out during our young teen years! Though years have passed since those days when we were together , there's a forever bond forever engraved in our hearts and minds! Kathy will always be a memory of my early years, that makes me smile eternally.
