“ Oh my girl. I just got off the phone with Debbie. I'm so sad right now sitting here thinking of the memories we shared. The biggest one that comes to mind show ur kindness. I ran into u at Ameristar. Go figure! LOL U was playing the old buffalos and hit like \$300 and called me over. U told me to take over the machine cuz u didn't feel like it was done paying out yet. I only had a couple \$ left so I played 1 line x 2. I got in that bonus round and sure enough, I won \$180! Most people would just worry about themselves, but not u. U was a lot like me and I'll never forget that day. Soar the skies and spread ur wings. RIP my friend. My thoughts and prayers r with the family and anyone else who needs them.

“ *I have many great memories with you Kristen. From swimming and playing in the backyard on Derhake, swimming at Grandma Davis' backyard, making pizzas with Grandma Talias, moving in to a new home when we were kids. I could go on and on. You were always there for me when I needed you like a big sister should. I love you and miss you so much already.*

“ Dad & I have to many memories with you to share just one. Nor do we have the words to say how heartbroken we are that we will not see your smile or hear your laugh. We know that you were a Mom yourself but to us you were still our little girl. You know we will always be looking after Jonathan & Gage as you are with Jason. We LOVE you & will miss you everyday until we meet again.....
