“ *Oh Uncle Laurent... you will surely be missed. All the times we went camping and fishing growing up.. I definitely miss those days. I remember one time you got so mad because we were in the swimming area at crystal lake and the fish would NOT stop coming up and nibbling on you 😂 ... I guess you and my dad are back together now ...just wish it was here and not there. Love you ❤️* ”

Love him so much. He taught me so much and even taught me to fish... When I was still in a punk in seat. Miss my buddy. Friend and father
